

ORDERING INSTRUCTIONS

1. First select your card and print colours, card colours shown on front, print colours on reverse of brochure.

- ★ 2. Design your card layout in the space on the front and reverse of the order section. (actual size of card [standard credit card size]). Artwork and type composition is produced by AppleMac offering a large selection of type faces.

If logos are to be included please forward a separate drawing, pdf or jpeg. The standard charge for artwork/layout plates is £30.00. For very simple layouts one colour one side only no logos or non standard writing strips the charge is £20.00. Where a year/date is included the charge for an update on a repeat order is £10.00.

3. For plastic business cards or membership categories etc. a charge of £5.00 is payable for each variation.

Any intricate designs logos etc requiring additional graphic work will be subject to additional cost. Price will be advised on sight of copy.

Please check instructions most carefully as no responsibility can be taken for customer mistakes.

Any customer alterations at proofing stage may be chargeable.

Most cards are 760m thickness (credit card thickness), white cards and some colours, currently yellow, red and green are available in 550m thickness. These colours are also available in 760m, white 760m thickness is + £18.00 per 1,000 cards (pro-rata).
